Quaternion Machine Learning

Eleonora Grassucci
University of Rome La Sapienza

5 march 2024, 12:00
Aula Consiglio, Department of Economics

Abstract: In the talk I will propose a mathematical approach aimed at demystifying hypercomplex deep learning models, and at making them more explainable while improving their computational tractability

Bio: Eleonora Grassucci is assistant professor of Computer Science at University of Rome - La Sapienza

Organizer

Prof. Paolo Giudici

Ph.D. Coordinator

Prof.ssa Ilaria Cristiani
